

# Royal Cimmaron (#6384)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)  
[www.iwhba.org](http://www.iwhba.org)

Cimmaron was previously adopted and returned. He has been an absolute pleasure to work with and his previous adopter obviously spent a lot of time with him. He halters, picks up all 4 feet, leads, walks over logs. He can be groomed from head to tail and has worn a bareback pad.

Adopted – November 16, 2004
