

Duke (#6332)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)
www.iwhba.org

Duke was previously adopted and returned. He has been an absolute pleasure to work with and his previous adopter obviously spent a lot of time with him. He halters, has had all 4 feet trimmed, leads, walks over logs & wooden bridges. He can be groomed from head to tail and has worn a bareback pad.
