

Missy (#4759)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)
www.iwhba.org

Missy was originally adopted in July 2003 and returned to the BLM. She is a very affectionate horse that just needs some self confidence. She is willing to do whatever is asked of her when she understands what that is. Missy leads, loads, and walks over a wooden bridge. She picks up all 4 feet and will stand to be fly sprayed. Missy has been saddled, bitted and lounded and is ready to progress in her training as a saddle horse.
