

# Nevada Joe (#5905)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)  
[www.iwhba.org](http://www.iwhba.org)

“Joe” was previously adopted and returned. Joe has a quiet and reserved horsenality. He halters, leads, walks over logs. He can be groomed from head to tail and loads in a 4-horse stock trailer. *The bulk of Joe’s training has been at night so the pictures just have not turned out.*
