

Prince (#4908)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)
www.iwhba.org

Prince has been a prince to work with from the beginning. He loves to cuddle and give kisses and show off for news cameras. He halters, leads, ties, loads in a trailer, and will pick up all four feet. He also loves to be groomed from head to hoof. He will even walk over a wooden bridge.

Adopted 5/22/04
