

# Sue Nami (#7299)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)

[www.iwhba.org](http://www.iwhba.org)

Sue is an independent filly. We are able to approach her and halter her. She has learned to lead and pick up her front feet. We have not had time to work on the backs yet. She also loads in a trailer. She is still nervous with being touched everywhere but does settle down with patience.
