

Cleo (#1079)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)

Cleo is an extremely intelligent filly who wants everything to be her idea. She learns new things very quickly and has been a joy to work with. We are able to approach and halter her and she loves to be groomed from head to hoof. She has also had her first trim and did great. She also loads in a trailer. Cleo never even moved a muscle when the vet drew blood for a Coggins.
