

Jenny (#3300)

Gentled by Intermountain Wild Horse & Burro Advisors, Inc. (IWHBA)

www.iwhba.org

Jenny is a dominant/assertive little filly that will require an experienced adopter. She tends to rear and/or strike when she is pushed or when her handler moves around her face to quickly. You can approach and halter her (with some work), groom, lead and pick up all 4 feet. She has had her hooves trimmed. She also loads in a trailer.
